IADR Asia Pacific Regional Conference 2025

Jointly Organised with

35th Annual Conference of the Indian Society for Dental Research,

Dear Colleagues,

On behalf of the organizing committee it gives us a great pleasure to invite you all to the **IADR Asia Pacific Regional Conference 2025, Jointly Organised with, 35th Annual Conference of the Indian Society for Dental Research, in September 2025.**

India is emerging as new locii for good dental research with multiple areas of research and innovations. However, there is a need to translate the Research into usable products in the Market. During this conference we will try to bring Dental Researchers and Scientists from various other fields as well as traders on one platform.

The conference shall provide a strong networking opportunity for Specialists from various streams of dentistry under one roof and learning from experts in the field coming from India and abroad. It will also provide a great opportunity for young researchers and clinicians to showcase their research and innovations through oral papers, posters and table clinics. In order to teach our youth about the marketing of their won research and innovation in a crisp and clear way, we have also planned a newer method of presentation called as TMT or Three Minute Thesis.

This conference will not only be important for PG students and researchers but also will have sessions for use of clinicians as they will get answers to their day to day clinical problems. There will also be a list of conference workshops usable for young researchers. We invite all interested colleagues to express the interest in participating and presenting their work in this grand scientific extravaganza. The venue has been short listed as The Leela Convention Centre, New Delhi which has become an epitome of luxury as well as grand scientific hallmark in India in current years.

Prof. (Dr.) Mahesh Verma
Conference Chairman

Dr. Vijay Mathur
Organizing Secretary

PLANNED AS BIG EXTRAVAGANZA

During this conference we will try to bring Dental Researchers and Scientists from various other fields as well as traders on one platform.

Scientific Exchange

This conference aims to bring together all budding dentists, leading researchers, for the exchange of ideas, authoritative views, and quality information.

Interpersonal Networking

Building relationships and networking with other dental professionals can enrich your career and give you a sense of deeper satisfaction.

Great Speakers

Meet renowned speakers around the world and share their knowledge and experience.

Trade Partnership

Opportunity to bring dentists and traders to one platform. Shop All Dental Brands in Best Rates.
